

Doggy Style! Barking mad Chinese trend for dressing dogs in pantyhose

Written by Administrator

Fashion conscious Chinese socialites have sparked a new trend for dressing their dogs in pantyhose.

The quirky new look has spread to Facebook and the rest of the internet where many of the animals have become international doggy style icons.

Despite the abundance of online snaps no-one seems to know craze for pooch pantyhose (known as 'tights' in the UK) originated from.

But the caption for one popular snap reads: "This is my hot dog. She love pantyhose!"

See the pantyhose pooches below.
